Happy New Year!

Looking into the future I predict that 2020 will be a good year for the Club. I am planning and hoping we will continue to grow and prosper and actively participate in as many of the community events as possible.

January is usually a time of relaxation and reflection. Our monthly program on January 15 will feature **Lorna Bravo** with some excellent ideas for container gardening. This is a great way for condo dwellers and those want to do small-scale gardening to reach that goal. **On the social side our Club has been invited to get a table together for the Tea at Deicke Auditorium. Information will be in this newsletter and please call Peggy Tingle if you are interested in attending.** Eight people will be at each table so it will be first come, first serve. **Call 954-584-2117** for a seat at the table.

February is Valentine's Day month and **Georgia Brown** will be sharing her personal trip featuring Gardens Around the World. What a great Valentine gift to all of the members!

The winds of March will blow in **Jesse Durko** who is presenting new and winning plants for those innovative gardeners in the group. He is a favorite with many of our members and I know he will be interesting and entertaining as always. March will see us participating in the **GFWC Plantation Woman's Club Garden Expo** and

The second largest fund-raiser of the year, "**Treasures in the Park**" **Second Annual Plant and Rummage Sale** will be held at the end of this month in Liberty Tree Park and "all hands on deck" will be needed to have a fun, successful event. **Call Sheryl Melson to volunteer.**

At the monthly meeting, **Jackie Wright and Alicia Durbin**, two newly acquired partners from the High Tea event, will be leading a hands-on workshop at which we will create our own terrariums. There may be a small charge as Jackie will be purchasing plants and medium through her shop. **Kim Friedman will keep you informed.**

Additionally, our **Woman of the Year** will be elected in March and attend the WOY event in April and nomination and election of new officers will be conducted in April followed by installation at our May luncheon.

In less than five paragraphs, summer has arrived and each of us has decided how to participate in the 2020 activities.

See you January 15 if not before.

As always,

Peggy

Plantation Garden Club and Other News

Gardening Wisdom from Roxie Pelliccia

954 -895-1736 / Plantlady211@gmail.com

As some of you already know, Roxie closed her shop awhile back and will eventually be moving away from Broward County. This has made it more difficult for her to contribute her time to her article. So, the Plantation Garden Club would like to take this opportunity to thank Roxie for so generously providing her gardening expertise and advice in this column for the past several years. We really appreciate her spending her valuable time teaching us so many fascinating things about various plants and for her great gardening tips! Thank you, Roxie, and we wish you the best in all your future endeavors. Please be sure to come back and visit us when you can! 😊

Roxie also wanted me to see if anyone in the club would like to take over the column from her. Please email me at plantationgardenclubfl@gmail.com if you would like to write an article on gardening each month for our newsletter.
